

4. Material Operating Companies and Ultimate Parent

The disclosure of legal entities is limited to entities whose contribution to the Group revenues in 2021 represent at least 1% of the consolidated revenues, but includes, in addition, the main operating legal entity in every country where the Group has permanent operations, even when such legal entities represent less than 1% of the Group consolidated revenues. This definition of materiality excludes dormant companies, pure sub-holding companies or entities used solely for the detention of assets.
